**Report of the Trustees  
for the Year Ended 31 March 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**Structure, Governance and Management**

Governing Document

Haxby & Wigginton Youth & Community Association is a Company Limited by Guarantee and a registered charity, which is governed by the Memorandum and Articles of Association being incorporated on 14th June 2004 and amended by members at an Extraordinary General Meeting on 12th September 2017.

Directors and Trustees

The Directors of the Charitable Company ("the Charity") are the Trustees for the purposes of Charity Law and throughout this report are collectively referred to as the "Trustees".

Membership

Membership of Haxby & Wigginton Youth & Community Association is open to interested individual members of the local community and to representatives of other local organisations.

Appointment of Trustees

When a vacancy arises Trustees analyse the strengths and weaknesses of the existing Trustees, and seek local candidates with skills and experience which will add to the range of Trustees' expertise. Before appointment a potential candidate must satisfactorily complete an Automatic Disqualification form to confirm there are no issues barring them from being appointed a Trustee. If appointed during the year the Trustee retains office until the next AGM. Once appointed the Trustee retains office until the next AGM when he/she will be required to stand for election. In accordance with the Articles of Association, each year one third of Trustees are required to retire by rotation.

Trustee Induction and Training

New Trustees are given copies of the Memorandum & Articles of Association, the most recent Annual Report and recent minutes of the meetings of Trustees. In addition, they are directed to the Charity Commission website to view the "Essential Trustee" and their attention is drawn to other information available on the Charity Commission website (or downloaded hard copies are offered). The staff team, Chair and/or Vice Chair provide help and assistance to facilitate familiarisation with procedures.

Organisation and Management

The charity operates in Oaken Grove Community Centre which is owned by the City of York Council, although under its full repairing lease arrangement the entire management and maintenance is the responsibility of the Board of Trustees. The Trustees are responsible for the overall governance of the Charity. During this year the Trustees held the required number of full board meetings. All members of the Trustee Board give their time voluntarily and receive no benefits from the Charity. Day to day management is carried out by Centre management staff with a designated trustee acting as line manager.

Business Planning

The most recent Business Plan was completed in 2019 with support given by York Community Consulting in its development. Unfortunately, the impact of the Coronavirus Pandemic starting in 2020 significantly impacted operations with partial closure affecting the centre well into 2021. The picture has been further complicated by sharply rising energy prices from the beginning of 2022. A further period of closure was necessary from June to December 2022 to permit building works to create an extension to accommodate the new Haxby and Wigginton library (see below).

**Haxby & Wigginton Youth & Community  
Association**

**Report of the Trustees  
for the Year Ended 31 March 2023**

The impact of significant rises in energy costs, levels of inflation creating a difficult situation across the economy and significant alteration to cost structures following major changes to the building and its occupancy requires an updated business plan to be produced in the near future once there is a sufficient understanding of cost and revenue impacts to reliably project forward.

#### Risk Management

During the year the Trustees have continued to review the risks to which the Charity is exposed. This is done through the areas of responsibility outlined above. For example, systems are in place to ensure compliance with health & safety of staff, volunteers, and all users of the Community Centre. Food hygiene regulations are adhered to and prompt action is taken, when necessary, to rectify any problems. Risk assessments are carried out when necessary and policy documents are kept, with a rolling programme of reviews. All employees and volunteers who have unsupervised contact with young people or other vulnerable groups are subject to enhanced DBS checks. Insurance for the Centre is in place and inspections are carried out on equipment and certificates obtained from outside agencies. It was agreed by trustees that a thorough review and update of our policies would be undertaken starting in the year 2018-19. This work was finally ratified by the Trustees in 2021

#### Objectives and Activities

The Charity's objects (the Objectives) are:

- (i) To promote the benefit of the inhabitants of Haxby and Wigginton (hereinafter called "the area of benefit") without distinction by sex, sexual orientation, race or of political, religious or other opinions, by associating together the said inhabitants and local authorities, voluntary or other organisations in a common effort to advance education and to provide facilities in the interest of social welfare for recreation and leisure-time occupation with the object of improving the conditions for life for the said inhabitants and, in particular, young people;
- (ii) To establish or secure the establishment of a community building (hereinafter called "the centre") and to maintain and manage the same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objects;
- (iii) To promote such other charitable purposes as may, from time to time, be determined.

Delivering our aims and objectives:

#### Public Benefit:

- .The ethos of the Association's work administering the Centre is to serve the local community, and to provide a base of activities which enrich the lives of local inhabitants.
- .We aim to make the Community Centre an accessible and welcoming place for all sectors of the local community. To further this aim we ensure that the provisions that we offer give a good balance across age ranges, abilities and interests, whether organised by ourselves or by external groups.
- .This report looks at what we have achieved and the outcomes of our work over the twelve months between April 2022 and March 2023. It looks at the success of each key activity and the benefits brought to the target groups of people we wish to provide for. We continue to refer to the Charity Commission's General Guidance on public benefit (section 17(5) of the 2011 Charities act) when reviewing and planning our future activities.

#### Performance for the Year 2022-23

##### General Situation

Whilst we were able to start the year positively following two years that were seriously impacted by the COVID pandemic, it was unfortunately, that these first steps forward in terms of rebuilding our business and activities were again interrupted by closure of the building from late May to enable building extension to accommodate Haxby and Wigginton Library (Explore). Whilst this work was seen as beneficial to long term growth it did again significantly impact our hirers and thus our income. This was mitigated in the short term by contractual arrangements to recover increased costs and lost income from City of York Council. This provided protection to the financial results for the year but we are still faced with again regrowing the business in a particularly difficult economic environment

**Haxby & Wigginton Youth & Community  
Association**

**Report of the Trustees  
for the Year Ended 31 March 2023**

The weekly Pop Inn lunch club had to cease at the point of closure and the future arrangements whereby all catering operations would be managed by Explore, the library service provider, meant that revised arrangements would be needed in the future. Whilst discussions with Explore had been positive some doubts had arisen amongst the delivery volunteers. This group had decided to independently keep the operation going at an alternative location and decided not to return once the building re-opened. Given that a start up of our own operation would have required a completely new volunteer group and would have been in competition with the original group for what was a limited market we decided to seek other ways of providing activity for older residents

It had been our initial hope that the extended building would be ready by some time in September but it became clear that the works would take longer and the revised plan was to reopen after the autumn half term in late October. Even this date slipped, however and the building was returned two weeks before Christmas. This inevitably meant that worthwhile income could not be generated until the start of 2023 and some bookings were lost for the whole booking period from September 2022 to July 2023.

During the period of closure, we kept some activities running by making arrangements for existing customers that chose to remain to be relocated to alternative venues at no extra cost to them. We also continued running youth activities in part outside using the sports field and from the autumn at St Mary's Church Hall

During closure, Explore offered office space at Huntington Library for continuation of our administrative activities. All our equipment etc had to be removed from the building to the existing storage facilities and to additional space brought in by City of York Council.

When the Administration Assistant left in August we took the decision, in the light of financial pressure, not to recruit a replacement and instead to try to find volunteer support as an alternative

Despite the difficulties the Accounts do show an income surplus in the year's activities. Whilst this was in part due to income support from City of York Council referred to above and securement of a number of grants, most significantly we received just over £11k in crowd funding for solar panels. This has been ring fenced for future use. Without these items of income the year's activities would have been in deficit

#### Youth Provision

As stated above we continued to run as many youth activities as possible throughout the year. In addition to those activities which are normally carried out away from the centre we operated the regular Wednesday Youth Club during the summer on the sports field and then moved indoors to St Marys Church Hall. Inevitably the disruption did impact numbers but following re-opening numbers have returned to former levels

There were three members of youth staff who left over the course of the year whilst two new employees joined us

#### Tool Box Drama

Tool Box Drama the accessible drama and craft provision for adults with additional needs continued to operate but moved from being a grant supported joint operation to being a main customer on a self-sufficient basis It continues to run highly successful twice weekly sessions.

#### Adult Social Isolation

As already referred to the long running Pop Inn lunch club ceased as an HWYCA activity but we did secure funding to provide warm place facilities against the background of rising domestic energy costs. This was not particularly well supported but is something that could be adapted as a basis for future provision to the older residents of Haxby and Wigginton

**Report of the Trustees  
for the Year Ended 31 March 2023**

Haxby and Wigginton Library

After some two years of negotiation legal agreements were finally signed off and building extension works took place to provide a much larger building with upgraded facilities to accommodate Haxby and Wigginton Library. Effectively two new rooms were built on to one end of the building and under the revised arrangements the original café space and the new room at the front of the building became the children's and adult library respectively whilst the Acorn Room became the new café customer space. The Oak Tree Room and the new room at the back of the building became the two main letting spaces for HWYCA. The kitchen area was taken over by Explore to provide a café service 6 days a week. Other changes included complete refurbishment of the toilets and installation of an external window in the office. Government grant for installation of a full Changing Places toilet was not confirmed in time for the facility to be included in the work and this hopefully will now follow in a second phase.

Under the agreement Explore have a sub-lease of their area and no rent being payable but the agreement effectively offsets the theoretical rent value against the capital cost of the work for a period in excess of forty years. At this stage the capital having been repaid HWYCA will be free to charge market rent for the facility

The management of shared costs falls to HWYCA with agreed percentages for sharing joint overheads. The percentage share has been set at a default of 50:50 but this does not apply to electricity and water where the split has been agreed at 35% HWYCA and 65% Explore thus recognising the extra use of these utilities caused by the café operation. A new bank account was opened to process these costs and the agreed contributions by the two parties

The Grounds

With the completion of the building work the external grounds have been re-instated to include both grassy and paved areas for seating. In the Autumn Haxby WI generously donated two planters for the garden to mark the coronation of King Charles III.

**Running the Centre**

Room Bookings were well below normal the charity earning some £9k from hiring of space compared to some £30k under normal circumstances when we would expect to host a variety of activity at the centre including art groups, table tennis, toddler groups, aerobic activities, and Health and Wellbeing activities.

Grants and financial support from CYC have enabled us to remain within surplus but only after inclusion of just over £11k received from crowd funding to be used for future plans to instal solar panels.

The start of surging energy costs since the start of 2022 is potentially a major risk to the future. It is now clear that there is no specific government support for Charities who are treated as any other business user. We therefore will face significant increase in costs for electricity from May 2023 and for Gas from September 2023 when existing contracts expire. The extent of the increase is extremely difficult to predict as we have no pattern of normal use since 2019 due to all the periods of closure. The modifications to the building have still to be tested and the impact of shared costs with Explore and the extent to which their increased usage will impact have yet to be understood

**Financial Review**

Trustees' Responsibilities in relation to the Financial Statements

The Trustees are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and regulations. Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing the financial statements the Trustees are required to:

- . Select suitable accounting policies and then apply them consistently
- . Make judgements and estimates that are reasonable and prudent.
- . Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company and Charity will continue in business.

**Haxby & Wigginton Youth & Community  
Association**

**Report of the Trustees  
for the Year Ended 31 March 2023**

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Charity is required by Company Law and Charity Law to formally report on the Association's position at the end of the financial period 31st March 2023. Net outgoing Resources of £4,653 for the year in the Unrestricted Funds has resulted in a balance carried forward in respect of these Funds of £59,144

**Reserves Policy**

The Trustees have examined the Charity's requirements for reserves in light of the main risks to the organisation. A policy has been established whereby unrestricted funds, not committed in tangible fixed assets held by the Charity, should cover at least 6 months of the budgeted expenditure. Such reserves are needed to meet the working capital requirements of the Charity. The Trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding in the short term, which is a prudent policy especially during these difficult economic times

At 31st March 2023 these reserves stand at £44,475 including £8,828 being the balance of the Designated Fund Premises Reserve, which is earmarked by the Trustees for future expenditure on the premises, the timing of which is unknown.

**Investment Policy**

Apart from retaining a reserve as outlined above, most of the Charity's funds are committed in the short term. In the past, Trustees have invested in short term bonds as and when funds are available. Whilst this policy has not been rescinded the last remaining bond was redeemed in early 2021. The fact that interest levels throughout the financial sector have only recently started to rise and in the light of considerable uncertainty over both income expenditure levels it has not been considered sensible to reinvest with notice restrictions limiting access to funds.

**Financial Risk Management**

The Treasurer presents regular detailed budget monitoring reports to Trustees in order to ensure that there is adherence to the budget and to ensure that the Charity is not exposed to financial risk. Advice is taken from our Independent Examiners as to the appropriateness of control measures. Adherence to the Charity's Financial Management Policy and to the Financial Standing Orders ensures that risks are minimised by the implementation of procedures for authorisation of all financial transactions.

**Principal Funding**

The principal sources of funding are by way of grants and service agreements from local organisations. During this year we are grateful for the financial support given to us by:

- . Haxby Town Council
- . Wigginton Parish Council
- . Haxby & Wigginton Ward Committee
- . City of York Council
- . Two Ridings
- . Awards for All
- . Haxby Co-op

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
